(14) It is seen that the population of Refugees is steadily increasing in our State at the rate of approximately 200 per mensem. For November the increase of Refugee population is 224.

(15) Strictly speaking the increase should represent the no. of birtes and a few additions on account of marriages and some new Refugee immigrants. But it appears that refugees from outside the State are flocking in to secure Cloth dealers licence etc.

20) The inevitable trend of refugees to seek a home where they can find a living is unavoidable. Nobody willingly leaves his home and hearth and the case of these unfortunates has to be tackled with reason and sympathy.

21) When our new scheme comes in, we shall require a large number of people and the capacity exists in the country to absorb them. As long as the rush is not beyond the capacity of the country to absorb them, perhaps no special measure is necessary except perhaps to see that undesirable elements don't come in this guise to disturb the peace of the country. The trend may be watched for some time longer.

With reference to your letter No. 5452/C.B. dated 10/11-1-49 on the above subject, I have the honour to state that the number of refugees coming into the State has increased as a result of the after effects of the heavy storm winds in Bombay and all possible precautions are being taken before registering the refugees in this office, as directed.

The total number of Hyderabad Evacuees registered in this office is 6044 and the registration of these evacuees has been stopped from October 1948 due to the change of situation in Hyderabad. Now the Hyderabad Evacuees are not given any relief in this office and none are being registered now in this office.

To

The Secretary to Government,

Bangalore.

Sir,

With reference to your letter No 6284/C.B. dated 4-2-49, I have the honour to state that this office is not aware of the number of Hyderabad Evacuees who are still staying in this State as this office is not dealing with them after the change of situation in Hyderabad State, except by granting them free passages in deserving cases to return to Hyderabad State.

As already opined in this office letter No. 1917 dated 19-1-49, Hyderabad Evacuees may perhaps be treated as non-refugees. If any Hyderabad evacuees are staying in this State, it is only on their own accord and this office is not dealing with them now.

Yours faithfully,

Secretary,
Mysore State Refugee Relief Committee, Bangalore.
